

# Card Artwork Guidelines

March 2021

## Card Dimensions:

## Supported File Formats:

Adobe Illustrator  
Photoshop  
Indesign  
PSD, TIFF, EPS, AI

## File Requirements:

**Color Setting:** CMYK

Note: Convert all spot colors into their respective CMYK recipes.

**Resolution:** 300 dpi

Note: All images/logos used within the file should also be high resolution or vector based.

**All Files must be Layered**

Note: Logos and text must be placed on separate layers with no exceptions.

**DO NOT FLATTEN LAYERS**

## Fonts:

Duplicate all text layers and outline the duplicates. Include all fonts when sending finalized files.

## Submission Methods

We can accept some files via email, if the file size is under 10mb.

For files over 10mb, please use our FTP server:

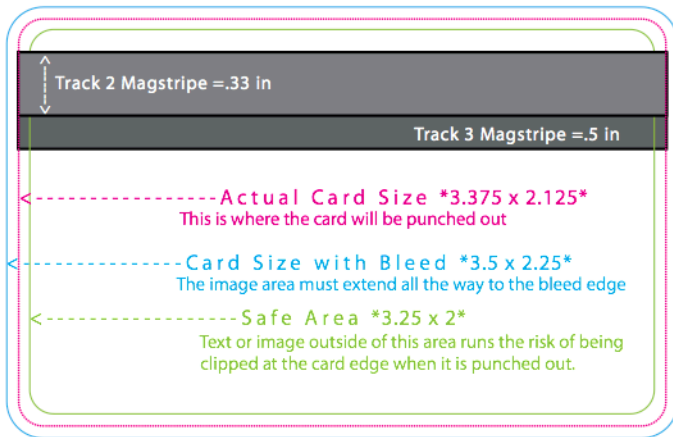

<https://teamcpi.sharefile.com/r/r9405c-43aba1479ea>
